

Energy Market Reliability Code 2025

EMRC 2025

1. Purpose

This Code sets reliability and operational duties for licensed energy market participants.

Clause 4.1 Operating reserve

Licensed generators must maintain an operating reserve margin of 15 percent.

Clause 6.2 Dispatch

Dispatch instructions must be acknowledged and logged immediately.

Clause 8.5 Incidents

Material market incidents must be reported within 2 hours.

Issued for demonstration and product evaluation only.
