

# Merger Control Regulation 2025

MCR 2025

## 1. Purpose

This Regulation establishes notification, diligence, and recordkeeping controls for acquisitions and combinations.

## 3. Notification threshold

Transactions valued above SGD 50 million require pre-closing notification to the Authority.

## 5. Competition assessment

Acquirers must complete competition due diligence before signing a binding transaction agreement.

## 8. Records

Integration decision records must be retained for 7 years after completion.

Issued for demonstration and product evaluation only.
